1. Highlighting of any changes from your first proposal would be helpful.
2. As stated at our meeting, the technical team considered a proposed level of effort of 1.5 FTE as low.

The submission of the revised proposal HAS NOT BEEN CHANGED. The submission date of **Monday, April 30, 2007 at NOON** is still in effect.

If you require any additional information related to the subject procurement, your point of contact is Nancy Feeney, at (202) 521-3707. Your emails should contain "Financial Systems Assessment MCC-07-RFQ-0026" in the subject line. There should be no other communications with anyone else at MCC.
